Dear Property Owner,

To meet statutory mandates for fair and equitable taxation, our office is undertaking a program to verify the property data used to estimate property tax assessments.

Over the next several weeks a team of inspectors working for our assessment vendor, Regional Resource Group, Inc. will be canvassing the town. Their objective is to verify both exterior and interior information about your property. Your cooperation in completing this form might avoid the need to conduct an interior inspection. Once complete, we invite you to mail back the form, or scan and e-mail it to hubbardstonassessor@rrgsystems.com.

*Kindly send an email with the subject **HUBBARDSTON QUESTIONNAIRE**.*

You may also take a photo of the completed form with your cell phone and send it to the same email address.

Our timeline for completing this project is relatively short. We greatly appreciate your assistance.
