Other Business:

Lucinda Oates explained that we could not use the compost bin grant this year because of the cost increase. We could use money from the Recycling budget but we are using all the money for the lights that have been out since the 2008 storm. Next year we will be able to team up with another town. Rutland is going to let our town use their dump so we can combine grant money with them. Irene Congdon is coordinating this effort.

New Business:

Sign February 27, 2018 Minutes
Sign April 10, 2018 Minutes
Review and discuss new Permit and Inspection Procedures
Hand out Expenditure Report
