Switchover was supposed to happen June 28th but the lines hadn't been run. The lines were run 6/30 and the installation should be Thursday or Friday of this week. The quality of signal will be better. Less noise on our channels, signal more clear.

Rack Installation –

The rack is here, needs to be installed. Brittany has not heard back from Quabbin, has tried twice. Hoping to get school facilities person to install but can have DPW if need necessary. Tom Colyer suggested contacting the new principal for approval. Discussion about Matt at the school doing the installation.

Continued Discussion about Future Goals –

Tom suggested having a segment with the new Principal on the cable show. John Nason suggested an interview with Brian Bullock.
