Peter Weisman presented paperwork he received from DCR on solar for 35 Healdville Rd. The board agreed that as long as DCR had no problem with the Order of Conditions we could proceed with the NOI. Kelly will start the paperwork for this and post on agenda for the October 2, 2018 meeting.

New Business:

Rick Green talked about the need for new members on our board because we should have 5 members. Tom said at one time we had a board of 3 and then went up to 5; maybe we can go back to 3 members. It was agreed that it was a thought but would like to try and find 1 more member.
