Notice of Public Hearing

The Hubbardston Conservation Commission will hold a public hearing pursuant to M.G.L. Chapter 131, Section 40, the Wetlands Protection Act, for a **Request for Determination** filed by, **Town of Hubbardston, MA, for the delineation of wetlands at Route 68 (Gardner Road), Hubbardston, Ma.**

Milone & MacBroom will submit a PDF file to the Conservation Commission showing the following:

1} General Note #1 should read Compost filter tubes and other sedimentation control barriers as approved by the Hubbardston Conservation Commission are to be place as shown on the plans, in accordance with the Request for Determination of Applicability or as directed by the engineer prior to construction.

2} Add detail showing typical installation of compost filter tubes.

3} Add detail or note clarifying catch basin sedimentation control barriers, such as silt sacks.

Once received, a Negative Determination will be signed.

Motion: Kayla Dubois

Second: Rich Clapman

New Business:

Glen Gregory of 11 Geordie Lane came to the meeting to discuss his concerns for using unbound millings on top of asphalt. His concerns were that the millings do not stay put and run off into water ways and is very dusty in the summer. Tom L. responded that the town was aware of that and when it was used it was a trial and will not be used in the future on top of asphalt.

Forrest Cuttings:

Gardner Road

All Reviewed

Commission Business, mail, procedures, etc. –

A site visit was done at 143 Gardner Road by Tony C. he reported back that the land is not buildable as marked. Kelly P. called Jeremy Arsenault the applicant on 4/2/19 and reported the findings to him.

Meeting adjourned at 8:07 pm
