Field Day Rules

- 1. The fields have irrigation. NO TENT STAKES are allowed. If you have a pop up/easy up tent for your booth you can anchor down with sand bags, concrete blocks, weights..... whatever works best for you, but nothing can be staked into the ground.
- 2. Nothing is included with your booth space. Vendors supply their own tables, chairs and tents.
- 3. Gates open at 7am for set up.
- 4. To help with parking congestion I'm asking all vendors to only have one vehicle per booth. Parking for vendors will be available in an upper field.
- 5. During set up and break down, vehicles will be allowed on the fields with some exceptions... no duel wheeled trucks or trailers do to weight issues. During fair hours all vehicles must leave the fields.
- 6. You are responsible for your own trash/clean up of your booth site.
- 7. No dogs are allowed at Curtis Recreational Field, so please leave your pets at home.
- 8. There is NO running water or electricity at the field.
- All vendors will have a specific spot on a map. Maps will be sent at least one week prior to Field Day via email.
