

Hubbardston Massachusetts

Liability Release for Acceptance of Roadside Fill

I hereby accept full responsibility for the surplus roadside fill obtained from the Town of Hubbardston for use on my property. By accepting this roadside fill, I acknowledge and agree to the following terms and conditions:

1. **Authorization for Dumping:** I authorize the Town of Hubbardston to deposit the roadside fill on my property, understanding that this is done at no obligation to the Town.
 - a. Roadside fill must be at least 100 feet from wetlands, 100 feet from well head, and 100 feet from septic
2. **No Town Liability:** I acknowledge and agree that the Town of Hubbardston shall not be held responsible for, and shall have no liability for, any damages that may result from the acceptance, processing, and usage of the provided roadside fill.
3. **Permit Responsibility:** I understand that it is my sole responsibility to obtain any and all necessary permits required for the acceptance and usage of the roadside fill, especially concerning wetlands regulations.
4. **Assumption of Risk:** I accept the roadside fill in its current condition, recognizing that it may contain natural elements, debris, or other materials. I assume all risks associated with the use of this roadside fill.
5. **Release of Liability:** I hereby release, discharge, and hold harmless the Town of Hubbardston, its officials, employees, and representatives from any and all liability, claims, demands, actions, or causes of action arising out of or related to the acceptance, processing, and usage of the roadside fill.

By signing below, I acknowledge that I have read and understand the terms of this Liability Release for Acceptance of Roadside Fill and voluntarily accept the responsibilities outlined herein. **This form must be returned to the DPW for approval.**
