

The Towns of **Hubbardston**, Princeton, and Rutland (HPR) are looking into regional trash and recycling options for residents. **No tax dollars will be used.**

We will use the information from this survey to help us prepare an implementation plan. Princeton residents, thank you for bearing with us through yet another survey.

One survey per household, please. Thank you for your participation!

1. How many 15-gallon kitchen bags of trash do you dispose of in a typical week? Please circle one

Less than 1 1 to 2 2 to 3 3 to 4 More than 4

2. How much single-stream recycling (cardboard, paper, cans, bottles, plastic containers) do you produce in a typical week? Please circle one (for more information visit RecycleSmartMA.org)

My 95-gallon tote is:

¼ full ½ full full overflowing

3. Which of the town-approved trash haulers do you currently use?

E.L. Harvey Republic Waste Management
Other (explain)_____

4. How likely would you be to participate in a regional curbside program as described below? (We do expect cost to be lower, but we do not have specifics yet.)

A) A fee-based system (same price, for many bags or few bags)
Please circle one

Not at all likely Somewhat likely Very likely

B) A fee-based system plus town bags (pay only for the bags you throw): Please circle one

Not at all likely Somewhat likely Very likely

5. How likely would you be to travel to the Rutland DPW to dispose of your trash and recycling? (We do expect the cost to be lower, but we do not have specifics yet.)

A fee-based system with town bags (pay only for the bag you throw): Please circle one

Not at all likely Somewhat likely Very likely

THANK YOU!

**Please return your completed
survey in your town Census
Envelope**
