

# Town of Hubbardston

## Board of Selectmen Policies

### **Boot Drive Prohibition**

The Hubbardston Board of Selectmen in consultation with local public safety professionals has determined that the conduct of “Boot Drives,” so called, that is the practice of charitable volunteers standing in the travel way soliciting contributions, serves as an impediment to traffic, is inherently unsafe and can only eventually cause harm to the volunteer and/or the motoring public.

Accordingly, the Board of Selectmen hereby adopt a policy that “Boot Drives” are hereinafter prohibited and that the Board of Selectmen will, therefore, no longer issue permits allowing them. This policy shall apply to all roadways over which the Town has jurisdiction.

Adopted: September 24, 2012
