To: Board of Selectmen
Finance Committee

From: Ryan McLane
Town Administrator

Re: FY 2020 Q1 Financial Report

Date: January 30, 2020

The purpose of this report is to provide town officials with information necessary to oversee the town's finances. This document also serves as a planning tool to help address potential budget problems. The following content is found in this memo:

- 1.) FY20 Budget versus Actual Report
- 2.) Accounts under Review
- 3.) Expected Deficits
- 4.) Expected Surpluses
- 5.) FY20 Revenue Report
- 6.) Capital Projects Report
- 7.) Finance Team Report
- 8.) Financial Monitoring

Budget versus Actual Report

The Budget versus Actual report is sent to all departments, board and committees monthly in order to track departmental expenditures. It is available on the [town Web site](#). The Town Administrator reviews this report at issuance and identifies department spending trends needing further clarification. The overall goal of this report is to ensure proper alignment between appropriation and expenditures.

The following is an analysis of accounts exceeding expectations:

1000-122-5110-0000 – Selectmen Employee Support

This fund is used to pay for employee recognition and MMA dues. Both expenditures occur in the first two quarters. There is no expectation of exceeding appropriation.

1000-129-5110-0000 – Town Administrator Employee Support

This fund is used to pay for employee professional development and the Town Administrator's cell phone stipend. There is no expectation of exceeding appropriation as most professional development courses are already paid.

1000-131-5110-0000 – Finance Committee Support

An analysis of recent years demonstrates the finance committee only uses this line item to pay association dues for its members. This bill is paid in full early in the FY. There is no expectation of exceeding appropriation.

1000-141-5110-0000 – Assessor Employee Support

This fund is used to pay for assessor association dues. There is no expectation of exceeding appropriation.

1000-155-5200-0000 – Information Technology Services

The largest IT maintenance bill, our finance software, is paid to begin the fiscal year. Although there is no expectation of exceeding appropriation, we are expecting this budget to be fully exhausted due to investments in Vadar (Finance), Viewpoint (Building) and Board and Committee software (Town Clerk). We are also using additional money from this account to stretch our computer replacement efforts.

1000-161-5110-0000 – Town Clerk Employee Support

The Town Clerk and staff attended their annual conference early in the fiscal year, inflating this percentage. There is no expectation of exceeding appropriation.

1000-192-5200-0000 – Building Maintenance Services

This budget is exceeding appropriation at this time due to an investment in the Senior Center Air Conditioning/Heating system, replacing door locks, investing in the walkway ramp and fixing an electrical issue. At this time, we do not expect this line item to exceed appropriation because of a Reserve Fund transfer.

1000-210-5100-0000 – Police Personnel

The Police Department experiences additional overtime in the holiday season. This account is tracking expectation and is not expected to exceed appropriation.

1000-210-5200-0000 – Police Services

The Police Department has experienced larger than expected vehicle repair requests and will exceed appropriation.

1000-220-5110-0000 – Fire Employee Support

The Fire Department is currently training a paramedic requiring additional support and mileage. This account is not expected to exceed appropriation.

1000-210-5100-0000 – Building Personnel

A change in personnel and staff structure resulted in combining the health and building assistant positions. This line item will continue to pay down until we can transfer money from the health line item in May. This account is not expected to exceed appropriation.

1000-420-5200-0000 – DPW Services

The DPW traditionally spends on services in the fall and spring for road and town maintenance, meaning inflated expenditures when reconciling quarterly. There is no expectation of exceeding appropriation.

1000-420-5400-0000 – DPW Supplies

The DPW traditionally spends on materials in the fall and spring for road and town maintenance, meaning inflated expenditures when reconciling quarterly. There is no expectation of exceeding appropriation.

1000-420-5400-0000 – DPW Intergovernmental (Details)

The DPW has exceeded expectations for detail spending. We are tracking this budget and do expect this item to exceed appropriation, requiring an adjustment in FY21.

1000-491-5400-0000 – Cemetery Supplies

The Cemetery Department spent down their funds on equipment in the fall. There is no expectation of exceeding appropriation.

1000-541-5100-0000 – Senior Center Personnel

The Senior Center Director works additional time in the winter and late spring with an understanding that she will be gone for February and March. There is no expectation of exceeding appropriation.

1000-630-5400-0000 – Recreation Supplies

The Parks Department traditionally spends on materials in the fall and spring for maintenance and services, meaning inflated expenditures when reconciling quarterly. There is no expectation of exceeding appropriation.

1000-911-5700-0000 –Worcester Retirement

We pay this bill in full in July to receive a 1 percent discount. There is no expectation of exceeding appropriation.

1000-752-5915-0000 –Long-Term Debt Interest

We pay debt interest twice a year, once in the fall and once in the spring. Fall is the larger payment. There is no expectation of exceeding appropriation.

1000-945-5700-0000 –Liability Insurance

We pay this bill in full in July. There is no expectation of exceeding appropriation.

Overall Operating Budget Analysis

Halfway through the year we have expended 97.5% of appropriated funds. Historically, spending increases in the final two quarters meaning we can expect somewhere between \$100-200k in returned funds.

Accounts under Review

1000-155-5200-0000 – Information Technology Services

We added services to the town to include online permitting in the Building Department, Board and Committee software in the Town Clerk's office and VADAR software in the finance offices. We need to conduct a thorough analysis of this budget for FY21 and beyond, but at this time, we do not expect to exceed appropriation. We will continue to monitor.

1000-420-5400-0000 – DPW Intergovernmental (Details)

Detail spending is something we need to look at and possibly adjust in FY21 and beyond due to continually rising costs.

1000-192-5200-0000 – Building Maintenance Services

Stresses on this budget will cause it to exceed appropriation in FY20 and may require additions to the capital plan or the operating budget in FY21.

1000-210-5100-0000 – Police Personnel

We do not expect this line-item to exceed appropriations; however, additional shifts require additional pay and this variability makes it an account to monitor.

1000-210-5200-0000 – Police Services

The Police Department has experienced larger than expected vehicle repair requests and will exceed appropriation.

Expected Deficits

Building Maintenance Services	\$10,000	(FinCom Reserve)
Accounting	\$4,000	(FinCom Reserve)
Police Services	\$7,600	(FinCom Reserve)
<i>Total (approx.)</i>	<i>\$21,600</i>	

Expected Surpluses

Health Insurance

We are monitoring this budget closely and looking at long term spending solutions for properly budgeting this account, but we expect a small surplus to end FY20.

Dispatcher Wages/Services

The regional agreement with Rutland will soon include one-time grant funding that will lower this assessment.

Regional Retirement

Paying this bill in full affords us a 1 percent reduction in the overall cost. Due to cash flow and other considerations, it is not possible to budget for this savings without jeopardizing additional spending elsewhere.

Monty Tech

The vocational school finalizes their budget well into FY20. The final FY20 budget affords the town a small surplus.

Total Unexpected Surplus (approx.) \$20,000

FY20 Revenue Report

This reporting is new to this memo in FY20. Our new Town Accountant is helping to track revenue versus expected in real-time in order to more accurately forecast our revenue projections in the annual budget process and to better forecast free cash for funding reserves and capital expenditures. We will continue to refine this section of the memo to provide you with more information.

Overall we are at 45% of our revenue expectations, short of projections. We are not concerned yet given we have not yet begun to collect Motor Vehicle Excise Taxes and have not received sizable transfers from the state. Department revenues and ambulance revenues are below projections and will be the focal point in Q3 and Q4.

The overall revenue report is attached to this memo for your review.

Capital Projects Report

This section provides a brief update on all capital projects approved by Annual Town Meeting. The purpose of this report is to provide decision makers will a proper accounting of approved expenditures.

Voting Machines (\$8,000) – Town Clerk Laurie Reed will purchase a new voting machine and pull pad for election operations. This purchase will occur in Q3. There will be no remaining funds in this account after the purchase.

Library Maintenance Project (\$2,763.03) – The Library Board of Trustees have not given a report on the status of this project.

Library Roof Replacement (\$84,100) – This project is now complete with one outstanding bill. There will be a surplus of \$30,000+ in this account.

Police Handguns (\$3,000) – The Police Department is finalizing this project with the vendor, properly accounting for trade in values and processes. We expect this project to be completed by the end of Q3.

Fire Pond Reconstruction (\$3,000) – There is nothing to report on this project.

FD Exhaust Fan (\$56,100) – Seaman Construction is finalizing their engineering report for this project. We expect to advertise this project in March and complete construction in Q4.

DPW Trailer and Roller (\$35,000) – This project is complete with the purchase of a trailer and Hamm Roller. This project came in under budget by \$3,400.

Town Center Reconstruction (\$115,000) – We continue to work with TEC to move design services past the 75% stage and beyond. We will need an additional \$75k in the spring to finish this project design.

Cemetery Equipment (\$6,500) – This project is now complete with the purchase of a leaf vacuum system. The purchase left no surplus.

Dump Plow Truck (\$95,000) – We are currently working on procuring this truck and we expect to make the purchase in Q2.

Library Roof and Skylight (\$11,000) – This project is nearly complete pending a final inspection and skylight installation. Once finalized, this project will return \$5,000 to the general fund.

Police Cruiser (\$46,000) – This cruiser will be delivered fully equipped in Q3..

School Cafeteria Equipment (\$25,000) – This project is completed and installed. There was a \$4,000 surplus after completing this purchase.

Water Booster – School Well (\$18,000) – This project is procured and waiting installment. The purchase left no surplus.

Town Office IT Equipment (\$30,000) – We have purchased the equipment for this project from the state bid list and will have it installed in February. We will end up replacing more than 14 town computers and two town office servers. We do not expect a surplus for this project.

Center School Roof (\$60,000) – We have secured an OPM and Architect (selected by the MSBA). There will be no surplus for this project.

CPA – Affordable Housing (\$50,000) – There has been no action with this account. This account is currently under the control of the Planning board.

CPA – Affordable Housing (\$3,310) – There has been no action with this account. This account is currently under the control of the Planning board.

CPA – Library Long Range Plan (\$2,500) – There has been no action with this account. This is currently under the control of the Library Board of Trustees.

CPA – Portable Ice Rink (\$2,618) – There has been no action with this account. This is currently under the control of the Parks Department.

CPA – Curtis Rec Field Dug Outs (\$21,200) – There has been no action with this account. This is currently under the control of the Parks Department.

Finance Team Activities

- Collected FY21 department requests
- Developed FY21 revenue projections
- Assisted staff with payroll and warrant procedures
- Assisted the Town Administrator with the [FY21-25 Financial Forecast](#)
- Set the FY20 tax rate

Financial Monitoring

This report section will detail executive level financial monitoring. The Town Administrator oversees the town's finances daily; however, according to town policy, annual auditing recommends and Department of Revenue Best Practices, certain monitoring activities occur monthly and quarterly. This protects the town from financial liabilities and provides town decision-makers with key information about the town's financial health and stability.

Cashbook Reconciliations – The Town Treasurer and the Town Accountant are reconciled within \$600 to 12/31/29. This essentially meets with town policy and best practice recommendations. The final reconciliation is expected to be finalized by 2/6/20.

Payroll Withholdings – Previous audits recommended quarterly reconciliation of payroll withholdings to ensure adherence to financial policy and alleviate pressure during end of year procedures. The Treasurer is reconciled to 12/31/20. The Town Account is yet to reconcile; however, this is expected by the end of March.

Accounts Receivable – The Town Accountant is full reconciled through 9/30/19. The remaining reconciliation is 80 percent complete; however, the tax rate process and other focuses have prevented full compliance. This will be a finance team focus and will be finalized by quarter end.

Ambulance Receivables – The Finance Team has engaged with Comstar to better reconcile our ambulance receivables based on recommendations from the new Town Accountant and our financial auditors. Fully reconciling this process will involve the Board of Selectmen and is targeting a meeting in early Q4.
